

## Conference Packages and Prices

ShowState 'off the shelf' conference packages are designed to be complete working solutions aimed at clients requiring a professional look and feel to their next event but without the cost implications involved with a complete be-spoke solution , all cables and consumables are included. A free site visit and visual is also included within the below costs. Delivery and collection will be charged in accordance with your event location.

The prices below are exclusive of VAT but include a recover of the backdrop to your chosen colour(s) and all of the equipment listed within the equipment specification. Additional equipment and corporate logo's can be added to your chosen backdrop and quoted separately. The costs below are based on installation of the equipment on the day prior to the event.

The prices below are split into two sections, audience sizes up to 150 and audience sizes from 150 – 350. Backdrop sizes, screen sizes and the equipment supplied has been adjusted accordingly.

Please see below a list of what technical equipment is included within all conference packages, all you need to do is decide on the backdrop that you require.
